

REVOLUTIONISING TEAM CULTURE

GRATITUDE-CENTRIC CULTURES

"94% of executives and 88% of employees believe a distinct workplace culture is important to business success" - Deloitte, 2018

Purpose and Gratitude are the keys to building emotionally intelligent, unified, and engaged workplace cultures.

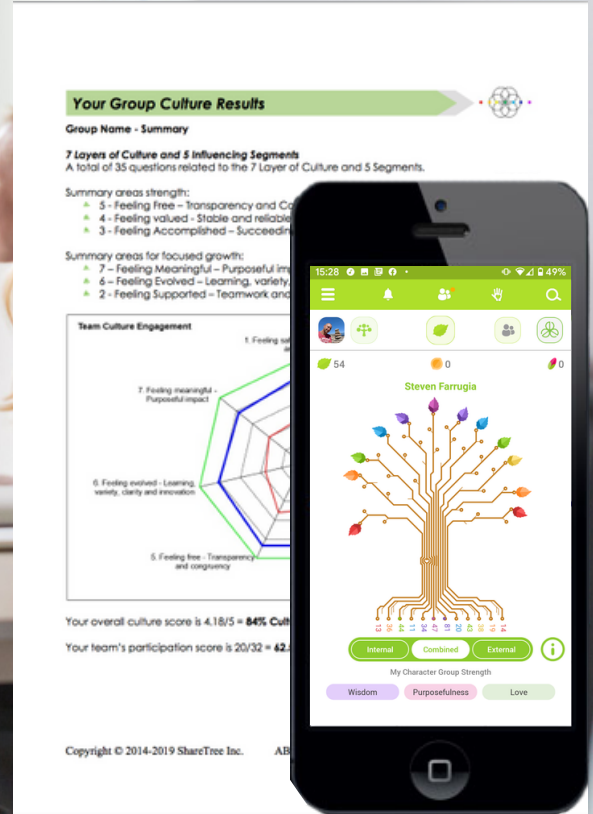

ShareTree support organisations in cultivating these practices with proven systems, strategies and results.

ShareTree's mindset and team culture solutions will increase:

- Team Engagement
- Talent Retention
- Community Impact
- Culture and Wellbeing
- Performance & Innovation

"I can confidently say that the ShareTree folks are at the cutting edge of the sciences of education, psychology and whole organisation change. They are innovative, dedicated, determined in their practical idealism to benefit humanity".

Dr. Derek Patton, University of Melbourne

"ShareTree is truly a meaningful app. I find it very helpful for not only my own personal growth but also in bringing unity and harmony into my organization, and community, by appreciating each other's inherent character and how it affects us".

Parisa Afshin, Researcher and PhD Fellow in Innovation and Organizational Learning Studies

"ShareTree is a quantum shift in the application of technology to promote healthy character development in schools, communities and institutions".

Geoff Smith, Headteacher at National College for School Leadership (UK) and Author, The Primary Character Curriculum
